TRAINS 4 AND 5 CANCELLED

Trains No. 4 and 5 have been cancelled between here and Berlin, N. H. A mixed train will leave here for Berlin each morning except Sunday at 6:45 a.m., arriving at Berlin at 12:45 and will leave Berlin at 9:10 a.m. and arrive here at 2:45 p.m. The removal of the above trains has caused a storm of protest to be sent up all along the line. A meeting of the Business Men's Association was held here the first of the week and a petition was signed and sent in to the Public Service Commission for the restoration of these trains.

DIES FROM BURNS

The five year old son of Mr. and Mrs. Archie Goulette, died at his home at the Head of the Pond, from burns received January 12, when he pulled a pan of boiling water from the stove upon himself. The little youngster suffered intensely since the accident. The funeral was held from the Catholic Church this morning.

CANAAN

John Carbee has just finished a four months' job of painting and papering for Charles Chamberlain, who now has one of the best tenements in town.

Hazel Heath, who was operated on at the Smith hospital in Lancaster, is expected home this week.

The very cordial invitation received from the Colebrook Woman's Club was accepted by a very large proportion of the Canaan Literary Club, Saturday afternoon. At the conclusion of a very interesting program on Mexico, a most sociable afternoon tea was given for the Canaan guests, after which they were delightfully entertained in the homes of the members of the club. Although the Canaan club is small, its members received new inspiration from the Colebrook club. The opportunity of attending the meeting and observing the work will have a lasting influence upon Colebrook's smaller neighbor, and the occasion was one of the pleasantest experiences in the life of the Canaan Literary Club.

Miss Birdie Wiswell is teaching the school in Pittsburg, which she taught last fall.

How to Cure a La Grippe Cough
"Coughs that hang on" demand treatment. Stop and think! Reason and common sense tell you that it is folly to "grin and bear it." Those racking lagrippe coughs that wrench the body and cause soreness and pains in the lungs yield more quickly to Foley's Honey and Tar than to any other treatment. Forty years' record of successes proves this. For coughs, colds, croup and other distressing ailments of throat, chest, lungs, larynx and bronchial tubes, you can find nothing that will compare with this reliable remedy. Sold by John Thurston. adv.

FIFTEEN YEARS FOR KILLING THIRTEEN

Don A. Bisbee, the proprietor of a store in Bristol, was sentenced at 11 o'clock last Friday forenoon by Judge W. W. Miles to serve not less than 12 or more than 15 years at hard labor in the state prison at Windsor. When asked whether he had anything to say as to why sentence should not be pronounced on him Bisbee remained silent. After Judge Miles had announced the penalty Bisbee thanked the court and the lawyers for the fair treatment he had received, and said that no one had lied for or against him in the trial. It is probable that Bisbee's counsel will take an appeal. Thirteen people, it is alleged, died as a result of drinking wood alcohol bought from Bisbee supposing the liquid to be whiskey, and several others who recovered were in a serious condition several days. In the trial Bisbee was specifically charged with causing the death of Cyrus Caray of Bristol on Oct. 30 last by selling him a beverage composed largely of wood alcohol. He was charged by the grand jury on a charge of manslaughter. After being out seven hours and thirty minutes, the jury returned a verdict of guilty of manslaughter.

FORMER ISLAND POND RESIDENT HOLSTEIN KING

Oliver Cabana, Jr., established himself as the "Holstein King" at the E. H. Dollar auction in Syracuse last week when he purchased 16 head of the wonderful black and white cattle, paying for the lot, \$55,205. The sale was the largest ever made to one buyer at an auction and, probably, included some of the finest bred cattle ever disposed of under like conditions.

Mr. Cabana's purchase only added to his sensational buying of the day previous, when he purchased the celebrated five-year-old Holstein bull Rag Apple Korndyke, paying the record price of \$25,000. His Syracuse purchases will be added to his splendid herd of Holsteins now on his farm, Pine Grove, at Elma.

TAKES DOSE OF POISON

L. H. Archer, manager of the Idle Hour Theatre, came near crossing the big divide Wednesday night when he took an overdose of laudanum. "Doc" had been suffering with toothache and thinking laudanum an effective remedy, he thought he would try some. He did—but with dire results as his idea of the quantity to take was vague. After three doctors had worked over him for several hours he decided that hereafter laudanum would be a tabooed remedy for toothache.

THIS IS A BAD MONTH

The indoor life of winter, with lack of outdoor exercise, puts a heavy load on the kidneys. Nearly everybody suffers from rheumatism, backache, pain in sides and back, kidney and bladder ailments. A backache may not mean anything serious, but it certainly does not mean anything good. It's better to be on the safe side and take Foley's Kidney Pills to strengthen and invigorate the kidneys and help them do their work. They help rid the blood of poisons. Sold by John Thurston. adv.
